

GRADUATION PROCESS WITH KEYSTONE

Complete your final course

The next business day after you complete your final course, your information will be sent to the Guidance Team for a graduation review.

Graduation Survey

The Guidance Team will email you the Graduation Survey after their review. This will come within a few days of completing your final course. Complete this quickly and submit it.

Diploma mailed

Within 10 business days of submitting the survey, your diploma will be mailed to you with USPS tracking and you will get an email prior to shipping. The package will include your diploma, a copy of your final transcript, a diploma case and a Keystone tassel. International shipping will require extra steps that are outlined in the graduation survey.
